TEAM TRIUMPH

And it don't seem a day too long

IT STARTED out as a single sheet written and put together by Mrs Gower on her typewriter and has evolved into the *Hilltop News* you see today. In this 12-page colour issue we celebrate 10 years in the life of Hilltop.

Joan reveals that she got the idea in 1996 to produce a news-sheet from her sister — 'I don't have ideas,' she's always saying. Anyone can have ideas, Joan, but what counts is seeing them through and without you we wouldn't be celebrating this 40th

issue. Grateful thanks to all of you who have contributed copy over the years and to all our readers. Special thanks to Maureen Hillman, Julian Hart and Louise Richardson who happily deliver the *News* to your door in all weathers; Roger Cheesworth, who helps with the printing; and Terry Maple who proofs the pages and helps with the production in innumerable ways.
