Bikes in need of new home

WE have two racing bikes we no longer need. I don't want any money for them – free to anyone who collects. The adult racer has a Jensen frame (for enthusiasts) and the child's bike is a Giant. Both need some attention but with the right mix of technical expertise and 'tlc' should prove fine.

If you're interested phone Simon on 01227 761 139.
