Adults: £20.00

Child (3 - 12) £10.00

Numbers will be restricted

Saturday 23 June

Your street, your hall, your choices

IT'S THE Hilltop Community Associations annual meeting on 21 March at the hall and every resident is invited to come along. It's a chance to meet the neighbours and voice your opinions either formally or informally over refreshments.

The hall is for the benefit of all in

our community, and you are invited to present ideas as to how best we can use the hall and its facilities — the committee will consider any request.

Neighbourhood Watch coordinator Brian Robinson will be there to answer any questions you may have about how NW can work for you.

HILLTOP ANNUAL GENERAL MEETING

St Faith's Hall, New House Lane

Wednesday 21 March, 7.30 pm

More than 700 books to borrow

THE LIBRARY in St Faith's Hall has been restocked with the addition of many new novels.

The library is open every Friday evening, 7.30pm onwards and on the last Thursday of every month during coffee mornings (10-11.30am).

There is a loose leaf folder, pinned up on the left as you enter the hall, for you to sign the books in and out. Anyone borrowing books may keep them for up to a month at a time.

Thanks very much to the Library Team for working so hard.

Cash prizes every month

HILLTOP has a thriving 100 Club with a monthly top prize of £50 — doubled twice a year, in June and December.

A total of £1,500 a year is handed out in prizes! The cost is £2 per month (£24 a year) payable by cash, cheque or standing order. Many thanks to Dave and Tracey Smith who keep the club running and the team of collectors.

If you would like to become a member you can contact any of the following committee members: Mick Hopkins (01227 451 835); Jan Armishaw (761 204) or Dave and Tracey Smith (478 483). If you are a new resident, Jan and Mick may visit soon to offer you the chance to join.
