

# Allons faire une petanque ensem-

## Or... How do you fancy getting a petanque team together ?

REGULAR visitors to the village hall will have noticed the addition of a petanque playing strip (piste), which was built a couple of years ago with the help of local labour.

It is hoped to make greater use of this asset by forming the Hilltop Petanque team and entering the local league. Any persons interested please contact Brendan

Troope (details below). Let's go on the 'Piste' together! (Petanque is also known as Boules and is the French equivalent of Crown Green Bowling).

## Carpet con

A MAN is reported to have called on an elderly person in the Canterbury area offering an oriental carpet for sale at £140. The resident eventually paid several hundred pounds for what turned out to be a poor quality carpet.

If you have come into contact with a man selling oriental carpets door to door contact the police and inform your NW coordinator.

THERE have been reports of 'creeper' burglaries in the Canterbury area. Creeper is the term used to describe offenders who climb into open upstairs windows in order to gain access to property. Residents are advised to keep upstairs windows secured.
