Behind every great event organiser...

Chairman's report by Colin Smith

TRACEY Smith's dream of running a summer fete was a wonderful success and credit must go to her and her team. Her second in command, Marion Sackett, superbly supported her throughout as did their respective husbands, Dave and Dave. This obviously proves that behind every great woman there is a man as apposed to behind every great man there is a surprised mother-in-law. Well done Tracey.

Can we have another next year?

Barbie bobbbers

AT LAST we had a warm English evening for BBQ and where the three chef's Terry, John ad David did sterling work and must have lost pounds slaving away over the hot coals. Music at these events never pleases everyone but the Memphis Belle Orchestra tribute to the Eighth Army Airforce had young and old "bopping" Perhaps we need a WW2 theme night in 2008?

Kind words

IN THE LAST issue I reported the sad loss of my mother. I would now like to thank Hilltop Community Association for the lovely flowers. The family very much appreciated the gesture and kind words.

The Barry Allen Walk

THIS is our next event and with luck we'll have good weather for it. The Compasses Inn is under new management and the food is really good and with a healthy walk in the morning no one need feel guilty about the calories. So come along on Sunday (23rd) and enjoy spirit of the community.

The Post bus is no more

SO WHAT do we do now? In response to the public dismay at the axing of the Postbus, Canterbury City Council have set up a working party to find out how an alternative bus service could be funded—the number of possible users being the key issue. Hilltop has been lobbying for the continuation of a bus service in this area and we would like to know how many of you would support a new service. Perhaps you could drop a note through my letterbox to indicate that you would be interested. We will take anything you say forward on behalf of the community.
