Barry's family lead the way

Chairman's report by Colin Smith

LUCK WAS with us again and we had another fine and sunny day for The Barry Allen Walk. Sixty or so walkers joined us with the less energetic driving to the Compasses for lunch. The Compasses changed hands in May this year so it was their first experience of us all arriving on mass, this meant some delays in getting food to tables but the general consensus was that the quality was superb. Once again Barry's family turned out in force and they raised a wonderful £90. Well done Audrey and family.

Are you fit? This year's walkers get ready for the off

If you want to help Santa....

THE LAST Saturday in November has become synonymous with the start of Christmas for Hilltop and this year was no exception. As always there was an excellent team all knowing what they were doing ably lead by Lettie (I'm in charge) Hart. Before Santa left he made a note in his diary to be back with us on the 29th November next year.

This year Santa has been supporting 'Thumb Print', the charity for Motor Neurone Disease with letters to children and personal appearances and he has now made £1,000. An excellent solo effort I'm sure you will agree. If anyone is interested in supporting this charity please contact me on 456 925 and I will put you in touch with Santa. Alternatively log-on-to www.mndassociation.org

2008

AS WE rapidly approach Christmas and the New Year I'm mindful that we have a whole community to support and although we strive to provide something for everyone there may be something else we can do. Therefore if you have any ideas or requests please let me know and, although I cannot promise anything, we will do our level best to meet your needs.

From me to you have a very Happy Christmas and a peaceful New Year.
